THE proprietor, in calling the attention of the

public to this preparation, does so with a feel-eig of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended. It is no new and untried article, but one that has stood the test of a ten years' trial before the Ameri cen people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known Physicians and individuals, in all parts of the country is immense. The following from North Carolina is respectfully sub-litted, referring any who may still doubt, to my "Memorabilia," or Prac-tical Receipt Book, for Parmers and Families, to be had gratis, of all the Agents for the German Bitters.

TESTIMONY PROM NORTH CAROLINA. Certificate of Dr. W. Smith, of Pine Hill, Rich mend County, N. C.

PINE HILL, March 4th. 1854. DR. C. M. JACKSON, Philadelphia-Dear Sir: 1 have been a subject of Dyspepsis, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia, Tennes-see and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherfordton, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the 10,000 medium sise white adhesive envelopes, for last of the week, I went into a drug store to get some medicine for my child and myseif. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly bene-fitted by the use of "Dr. Hoofland's German Bitters," prepared by you, and he insisted that I would try the Bitters He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I do say I was more benefitted by it than all the water and medicine I had ever taken.

By the act approved June 17, 1844, the Secretary of the Secretaris "directed to confine his purchases After reaching home one of my neighbors came to me for a prescription and medicine, (he a dyspep-tic,) and i gave him nearly all the Bitters I had left, procured of such gr wth and manufacture of suitable which effected much good in his case. He has often quality and at resconable prices, upon as good terms called on me for more of the same kind of medies to quality and price as oan he obtained of fernian cine, saying he was more benefitted by it than any growth and m nufacture" A preference will therefore be given to the productions of American other he had taken, but I have not been able to get any more for him or myself since, therefore, please ship me a dozen or more as soon as pos-S. ble. CERTIFICATE OF WM. J. ATWOOD. HUNTSVILLE, YADRIN Co, N. C., Nov. 1st, 1853. Dr. C. M. Jackson-Dear Sir: Allow me to express to you my sincere thanks for your discovery of a medicine which, to say the least of it, has effeeted a cure that all other medicines, that I have aken, have entirely failed to do. "Hoofland's German Bitters" have eured me of the most stubborn and aggravated case of the PILES that, perhaps, ever fell to the lot of man. My case is not a stranger in this community, as I am well known in this and the surrounding counties, and can truly say that my re-covery has astounded all my friends and relations, as I had tried everything recommended, and nothing formance thereof, under a forfeiture of twice the did me any good until I was prevailed upon to try contract price in case of failure, which bont is to the Bitters. You are at liberty to make any use of this communication, for the benefit of the afflicted, you may think proper. Truly yours, WM. J. ATWOOD.

> These bitters are entirely vegetable, they invigorate and strengthen the system, never prostrate it, and can be used for infants as well as adults. For sale by respectable dealers everywhere, and by Z. D. GILMAN, Washington; J. L. KIDWELL, Georgetown; and J. R. PIERPONT, Alexandria.

AGUE AND PEVER-GREAT CURE.-I hereby certify that for three years I had Agus and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all with out permanent relief.
